

COACHING & MOTIVATING YOUR TEAM TO SUCCESS

After taking the Coaching & Motivating Your Team to Success workshop I have more confidence when coaching my employees. Laurie Flasko is an excellent facilitator who really understands the challenges credit union Supervisors and Managers face when it comes to coaching and motivating your team. She knows what it takes to raise the bar on employee performance and teaches the right approach to coaching employees to their best performance. The session gave me the tools to work in a more productive way, coach to a higher performance standard and improve our work environment. I highly recommend this workshop.
